

## Gymnastics should be fun!

Everyone should feel safe and comfortable in their clubs!

Gymnasts should all be able to enjoy our amazing sport in a positive and supportive environment!

We are committed to providing a safe and fun environment for people to enjoy gymnastics.

Our club has a designated Welfare Officer who is the first point of contact for any concerns you have.

Everyone can help protect gymnasts and

# Your Club Welfare Officer is here for you!

If you have concerns or questions, let them know...
